COMET Group
The COMET Group is a globally leading, innovative Swiss technology company with a focus on X-ray, high-frequency and ebeam technologies. Using high-quality high-tech components and systems, we make it possible for customers from various industries to improve the quality of their products and make them both more efficient and more environmentally friendly. The innovative solutions under the COMET, YXLON and ebeam brands are used in applications such as material and safety testing, the coating and treatment of surfaces, and contact-free sterilization.
Headquartered in Flamatt, Switzerland, COMET AG is now represented in all global markets. We employ more than 1050 people worldwide, including over 370 in Switzerland. In addition to production facilities in China, Germany, Denmark, Switzerland and the USA, we also maintain various subsidiaries in the USA, China, Japan and Korea. COMET's stock (COTN) is listed on the SIX Swiss Exchange.
