

Press release

SHL Telemedicine receives Chinese FDA approval for the smartheart™

Tel Aviv/Zurich, 14 May 2014 - SHL Telemedicine Ltd. (SIX Swiss Exchange: SHLTN), a leading provider and developer of advanced personal telemedicine solutions, announced that it has received the China Food and Drug Administration ("CFDA") approval for the marketing of the smartheart™ in China. The smartheart™ has already received marketing approvals in Europe, the US and Japan.

Erez Alroy, Co-CEO of SHL, commented: "With the China Food and Drug Administration ("CFDA") approval we continue broadening our international footprint. This strengthens our position as a leading provider of telehealth services and offers a large market opportunity. We will continue to invest in our international expansion, leveraging the smartheart™ platform."
